****Fall Conferences November 4th and November 7th Scheduling Information**

Armstrong Elementary uses an online conference scheduler to schedule conferences. Directions are provided below. Registration will be available starting today.

*For those families who don't have internet you can schedule your conferences with your classroom teacher/s or with Anne Henseler 651-425-4101 in the office.

- To access the online scheduler go to www.ptcfast.com/schools/Armstrong_Elementary (note that there is an underscore between Armstrong_Elementary)
 1. Click on the teacher/s you need to set up conference/s with and then click submit.
 2. If you are only scheduling for one student your next screen will have you type in your information for that student.
 3. If you have more than one student at Armstrong you will have a few more questions to answer before you enter your student's information.
 4. Once that is submitted the next screen will read **Thank you for registering. Please check your email at the address you provided. You will find an email with the subject header "Select Date/Time for Teacher Conference Now". Just press the link in the email and you will be able to pick a time slot for the conference.**
- If you have not received that follow-up email within about an hour we suggest you check your spam filter to see if it has put the email in a folder (typically called JUNK or SPAM.)
- Please leave at least 15 minutes between your student's conferences.
Thank you for registering.
