****Fall Conferences November 4th and November 7th Scheduling Information**

Armstrong Elementary uses an online conference scheduler to schedule conferences. Directions are provided below. Registration will be available starting today.

*For those families who don't have internet you can schedule your conferences with your classroom teacher/s or with Anne Henseler 651-425-4101 in the office.

- To access the online scheduler go to www.ptcfast.com/schools/Armstrong_Elementary (note that there is an underscore between Armstrong_Elementary)
- 1. Click on the teacher/s you need to set up conference/s with and then click submit.
- 2. If you are only scheduling for one student your next screen will have you type in your information for that student.
- 3. If you have more than one student at Armstrong you will have a few more questions to answer before you enter your student's information.
- 4. Once that is submitted the next screen will read **Thank you for registering. Please check your email at the address you provided. You will find an email with the subject header "Select Date/Time for Teacher Conference Now". Just press the link in the email and you will be able to pick a time slot for the conference.**
- If you have not received that follow-up email within about an hour we suggest you check your spam filter to see if it has put the email in a folder (typically called JUNK or SPAM.)

- Please leave at least 15 minutes between your student's conferences. Thank you for registering.
